

## Substance Use Education

<b>Stage:</b> Senior	<b>Lesson:</b> Hot Topics
<b>Resources Required for Lesson:</b> Internet access	
<b>Main Activities:</b>  There are always topical issues regarding substance use. Get the young people to decide which topic they'd most like to investigate (this could be done in a large group, smaller groups or individually), from the following list: <ul style="list-style-type: none"> <li>• Smoke Free Scottish Prisons</li> <li>• Minimum Unit Pricing for alcohol in Scotland (or other countries considering this)</li> <li>• Safe consumption facility in Glasgow</li> <li>• Take-Home Naloxone Programs</li> <li>• Multi Agency Safety Testing at festivals</li> </ul> <p>The young people can hold a debate or write a critical essay to consider both sides of the arguments for and against. Or any other suitable format.</p> <p>There are lots of sources of information regarding these topics, but these might be a good place to begin:</p> <p><a href="http://www.highland-adp.org.uk/">http://www.highland-adp.org.uk/</a>  <a href="http://www.gov.scot/Topics/Health/Services/Smoking">http://www.gov.scot/Topics/Health/Services/Smoking</a>  <a href="http://www.gov.scot/Topics/Health/Services/Alcohol">http://www.gov.scot/Topics/Health/Services/Alcohol</a>  <a href="http://www.gov.scot/Topics/Health/Services/Drugs">http://www.gov.scot/Topics/Health/Services/Drugs</a></p>
