

## Substance Aware School Award

The Substance Aware School (SAS) Award has been developed to recognise and reward consistent, ongoing approaches to prevent substance use among young people across the Highlands. This initiative is a joint partnership between the Highland Alcohol and Drugs Partnership (HADP), the Highland Child Protection Committee, the Highland Council, NHS Highland, and Police Scotland. By sponsoring this award we aim to:

- Support and promote evidence informed substance education and prevention in the Highlands
- Celebrate and showcase good practice of substance education and prevention in the Highlands
- Encourage and sustain healthy attitudes and behaviours among young people in the Highlands
